

"Simplifying the Process" since 1948

HYC Logistics has worked to maintain the highest level of "Customer Service" while providing a wide range of International Freight Forwarding and Licensed Customs Brokerage services. HYC Logistics is a 'full service' Freight Forwarder offering worldwide cargo transport through our Network of more than 450 Agents in over 135 Countries. The warehousing and distribution centers are strategically placed to minimize the additional costs of domestic transportation and adds flexibility to final destinations while using our own HYC truck broker service.

HYC proudly offers the following services:
